West Stefany is a first grade student at Sycamore Ridge School. From the moment I first met West, I recognized his insatiable curiosity and his eagerness to learn and explore, particularly in the area of science.

As an elementary school Principal there are times when I crave a celebratory moment in my day. During those moments, I naturally gravitate to Mrs. Vincent's first grade classroom to chat with West and experience first-hand his joy in learning. In turn, I typically learn something new myself!

I am thrilled to support West's nomination for the Children's Challenge Award in Science.

Please feel free to contact me at (858) 755-1060 for additional or more detailed information about

Sincerely,
